

## ENRICHMENT HOUR PROGRAM 2009/2010

<b>Monday</b>	DRUM CIRCLE: Kevin Makarewicz will engage the children in joyful music making, building their sense of rhythm and musicality. Through the use of a variety of different drums and other musical instruments the children will have the opportunity for much self-expression.
<b>Tuesday</b>	CREATIVE MOVEMENT: The Leap Smart instructor will lead the children in a variety of musical activities that will enhance their body awareness, balance, coordination, and creative movement invention.
<b>Wednesday</b>	ART: Madeline Simon will explore a variety of art techniques through many different mediums, encouraging creativity and developing artistic ability. She will also incorporate learning about the work of a range of artists.
<b>Thursday</b>	SPORTS: Jerry Brunson-Hollinger aims to keep children active and excited about sports. He will coach them to develop many fundamental sports skills and increase their physical competence.
